# #ENDFGMC RADIO

## DESCRIPTION

We aim for **eight one-hour radio talk shows**, depending on funding, which will be broadcasted **until July 24th, 2024**.

The focus is on **education by anti-FGM/C activists**, as well as the associated **preservation of the anti-FGM/C law in The Gambia**.

**Two shows per week** are broadcasted on the **national radio station** Mendekering Brikama. Over **800,000 listeners** are reached, who can **actively participate** in the conversation and **ask questions**.
